Dear Friends at Pine Lake,

TCM does not operate in a vacuum. We are here to accomplish the work God has called us to do. Consider the story of one of our current students who is quite literally serving behind enemy lines in a country considered unreached, where less than 1% of the population are believers.

"I am a pastor of a church in Central Asia. I have been a Christian for 23 years. I was raised by my mother and grandparents. I never had a father, brothers, or sisters. My grandfather was a nominal Muslim, and my grandmother read the Koran and the New Testament. When I came to know Christ, I gained not only salvation and eternal life, but also brothers, sisters, and the Father.

"I have studied in different places, and I am thankful that God allowed me to study at TCM. I began serving as an assistant pastor in 2006. Then, in 2010, I became a pastor at the church where I was baptized in 2002.

"In 2014, I traveled to and studied in Moldova for three years. Once I returned to my country, I began my studies at TCM. In 2019, I again became a pastor of the same church I had previously left to study in Moldova and began teaching others around me. I am eager to continue learning and helping believers become better acquainted with the truths of the Holy Scriptures!"

Through the work of TCM, God is equipping men and women around the world, just like this student, to lead disciple-making movements. We at TCM are honored that God would use our ministry as a tool to further His Kingdom among unreached people and bring those who are far from Him close by His side. You can play a role in Christ's mission through TCM.
