Pine Lake Christian Church
ATTN: Missions
636 Pine Lake Rd
Sebring, OH 44672-1562

Dear Friends,

Every day, children and young people across our communities need someone who will step into their lives and remind them that they are loved, valued, and worthy of hope. At Christian Children's Home of Ohio (CCHO), we have the privilege of doing exactly that—and we are inviting others to join us in this important mission.

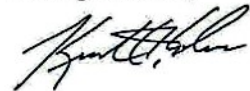

At CCHO, we are currently hiring Direct Care/Treatment Specialists to work directly with children and youth who are navigating difficult circumstances. These individuals become trusted adults who provide structure, encouragement, guidance, compassion, and support. They help create a safe environment where young people can heal, grow, learn, and begin to see a brighter future.

At CCHO, we believe ministry can happen through our everyday work. Serving children is not simply a career—it is a calling. It is an opportunity to put faith into action and be the hands and feet of Jesus by demonstrating Christ's love through everyday interactions.

We would be grateful if you would share this opportunity with your congregation through announcements, bulletins, newsletters, or personal conversations. To make sharing this opportunity easy, we have created downloadable bulletin inserts, slides, and flyers available at ccho.org/resources.

Thank you for partnering with CCHO and for helping us spread the word about this incredible opportunity to impact lives every day.

With gratitude,

Kurt Holmes
Director of Development
Christian Children's Home of Ohio
Your Mission. Their Hope.

Put your faith in action and help youth find hope, healing, and a safe place to belong.
