

# PRAYING

## FOR OUR PARTNERS

In the U.S. and Abroad

Oct. 2026

### NEPAL

DR

The devastating flash floods have caused havoc in Nepal. IDES was able to partner with a trusted ministry in the area to provide clothing, food, and care. Please pray for the many families who are needing long term help. Pray for families to be strengthened and for open doors to the Gospel of Jesus.

### CENTRAL & EASTERN INDIANA

Indiana faced historic flooding in August and our team has been busy helping numerous homeowners across the region. Thank you to the churches and volunteers giving of their time to help neighbors. Please pray for the long road of recovery ahead.

### BANGLADESH

DR

Flooding has left many families vulnerable in its wake. With the help of trusted partners, IDES is helping around 700 families with food assistance and Bibles to help begin discipleship efforts. Pray for the people to have physical needs met, and for their hearts to be open to the love of Jesus.
