It gives me so much joy to share with you this special issue *
of *Giving Words* as Pioneer Bible Translators celebrates 50 years of
ministry. **The good news that fills these pages is a testament to your
support and to God's faithfulness.**

Every story shows your commitment to share Scripture with
people who are longing to experience God's Word in their own language.

You will read about the Yalunka people, who only had one small
church a few decades ago — and now they are planting their own
churches. You'll also read about the Aruamu people, who went from
being Bibleless to being partners in fulfilling the Great Commission.
And you'll read about the Mapa people, who went from just 17 believers
to 5,000!

These stories show the exponential growth a faith community can
experience when they have God's Word in their own language.

**With all of my heart, I thank you for your part in helping these
communities know Jesus and become fruitful disciples.**

Whether you support a missionary or a project, thank you for all
that you have made possible through your generosity.

That All May Know Jesus,

GREG
